For additional guidelines or to submit up to three digital images (JPEG) in color, black and white, or grayscale, use the QR code or visit: seniorservicesirc.org/photo-contest or use the QR code.

Consent for Use: Photographs selected may be used on the internet, in publications of the Senior Collaborative, or otherwise digitally displayed. Consent is required from photographers and their subjects to be eligible (entry form and consent forms attached or can be found on the Senior Collaborative web page: seniorservicesirc.org). If you have questions, please email Abby Walters, Senior Collaborative Board Member, awaltersfl@comcast.net.

Livable Indian River, part of the Senior Collaborative of IRC, is holding this contest to showcase vibrant adults in Indian River County! Older adults frequently experience "everyday ageism," whether from ads on TV, in restaurants, or from comments that imply they are less capable due to age. Research shows ageism negatively affects the health of these adults and indicates that anti-ageism efforts work to promote health and well-being.
