TIPS FOR VENDORS/EXHIBITORS

Senior Expo 2024 had 92 vendors and over 600 attendees.

The Expo will once again be located at the Indian River County Fair Grounds in the Expo Center under the Pavilion. The date of the Expo will be Thursday, March 20, 2025. The Expo will be from 9AM to 2PM.

Registered Vendors may set up Wednesday afternoon from 3PM to 6PM or on Thursday morning at 8AM. When arriving to set up, please use the back door to the Expo Center for those booths located indoors. You will be required to move your vehicles into other parking areas once you have completed set up.

For those booths located outside, under the Pavilion, you are encouraged to set up Thursday morning.

For vendors, the front gate is your best area to park and unload.

Vendors are strongly encouraged to keep your booths open and set up until 2PM on the day of the Event. Breaking down earlier could affect your invitation to participate in 2026.

Food Trucks will be on sight the day of the event.
